Administration & Information Technology Subject Guide
E-resources

Below is a list of the library’s electronic resources which are most useful for Administration & Information Technology. You can view a full list of the Library’s electronic resources by visiting this page:

http://library.cityofglasgowcollege.ac.uk/finding-resources/e-resources

Your student network ID and password will log you on to most of these resources. Some resources will prompt you to select either UK Federation and/or Shibboleth login options, and then simply select the institution of the City of Glasgow College.

Marketline
Portfolio of research information including market reports, profiles, news and briefs.

Oxford University Press
Oxford University Press database from the University of Oxford.

Keynote Reports
Viewer-friendly market information on shopping habits, product and market trends and company activities.

Box of Broadcasts
This service allows you to record TV and radio programmes over a seven-day period and watch archived programmes online. Covers all subject areas.
Useful websites

**About Computing and Technology**
Website with information and reviews on hardware and software.

**BBC Learning: Information Technology**
Features information on using the Internet, PC hardware and computing manuals.

---

**E-books**

You can access a number of e-books on Administration and Information Technology. You can read and download e-books through the Dawson e-book service at [www.dawsonera.com](http://www.dawsonera.com), and through the library catalogue at [http://library.cityofglasgowcollege.ac.uk](http://library.cityofglasgowcollege.ac.uk). You should choose the Shibboleth login option and confirm City of Glasgow College as the institution.

Journals

Journals feature the most up-to-date information on subject areas (often more up to date than websites). If you want to find information about what is happening in your subject area at the moment, then journals are a great source. The following journals are of particular interest:

- Management Today
- Harvard Business Review
